RISK ACKNOWLEDGEMENT & DISCLAIMER

THIS IS AN IMPORTANT DOCUMENT: YOU MUST READ IT BEFORE SIGNING

- The Go Ape Nets Adventure ('the Activity') is an aerial obstacle course, as with any physical activity there is a degree of risk and the Activity can be physical, mentally and emotionally demanding. All participants must weigh less than 130kg (20.5 stone).
- All participants under 16 (children) must be supervised by an adult.
 - Under 6's must be accompanied on the nets at all times by a participating adult, who can supervise no more than two children in total.
 - Children aged six and over require a minimum of one adult per group of five to supervise them on the Activity or from the ground. **In order to control behaviour, supervisors must remain in visual contact of the children in their care for the duration of the Activity.**
- I have carefully considered all of the risks involved in undertaking the Activity, including the risk of bumps, scrapes, cuts, bruises and other injuries and agree to undertake the Activity and/or give consent for the child(ren) listed below to participate in this Activity.
- I understand that Go Ape accepts no responsibility for loss, damage or injury caused by or during participation in the Activity, except where the loss, damage or injury was caused directly by Go Ape's negligence.
- I certify that I and any child(ren) I am signing for, do not have any medical condition (including pregnancy or previous injury) which might make it more likely that I/he/she/they be involved in an incident which could result in injury to myself/him/her/themselves or others. If in doubt, please check with the child's parent or guardian.
- I confirm that if I am not the parent/legal guardian of the child(ren) I have authority from the child(ren)'s parent or guardian to sign this consent form.
- I confirm that I am not under the influence of drink or drugs.

I have explained to the child(ren) listed the importance of listening to the instructors and following the rules and procedures set down by Go Ape. I have also made it clear to the child(ren) that they should not start the Activity unless they understand all instructions given. I confirm we have read the Safety Rules.
