RISK ACKNOWLEDGEMENT & DISCLAIMER

THIS IS AN IMPORTANT DOCUMENT: YOU MUST READ IT BEFORE SIGNING

1. The Go Ape Treetop Adventure /+ course ('the Activity') is an aerial obstacle course where an instructor attaches a participant to the safety system (Continuous Belay System), and once attached it is extremely unlikely that he or she can become detached during the Activity. However, the participant is also provided with a second point of attachment to the safety system, which they are responsible for attaching in accordance with the Safety Rules. It is very important that this second point of attachment is used in accordance with the Safety Rules to help prevent a fall from height in the extremely unlikely event that the participant becomes detached from the Continuous Belay System. Adults supervising participants are responsible for ensuring participants under their supervision are using the second point of attachment in accordance with the Safety Rules. However, as with any physical activity there remains a degree of risk even where the Safety Rules are followed, and the Activity can be physically, mentally and emotionally demanding.

2. I have carefully considered all of the risks involved in undertaking the Activity, including the risk of bumps, scrapes, cuts, bruises and other injuries and agree to undertake the Activity and/or give consent for the child(ren) listed below to participate in this Activity.

3. I understand that Go Ape accepts no responsibility for loss, damage or injury caused by or during participation in the Activity, except where the loss, damage or injury was caused directly by Go Ape's negligence.

4. I certify that I and any child(ren) (I am signing for, do not have any medical condition (including pregnancy) which might make it more likely that I/he/she/they be involved in an incident which could result in injury to myself/him/her/themselves or others. If in doubt, (please check with the child's parent or guardian).

5. I confirm that if I am not the parent/legal guardian of the child(ren) I have authority from the child(ren)'s parent or guardian to sign this consent form.

6. I confirm that I am not under the adverse influence of drink or drugs.

I have explained to the child(ren) listed the importance of listening to the instructors and following the rules and procedures set down by Go Ape. I have also made it clear to the child(ren) that they should not start the Activity unless they understand all instructions given. I confirm we have read the Safety Rules.
