GORILLA GAMES

Identifying a key need for the younger audience, we have recently launched the new fast-paced and challenging Gorilla Games. New to 2019, these games cater to 4 to 14-year olds and help develop key life and team building skills such as communication, leadership and of course, teamwork. Ideal for helping to support the government initiative to get more children outdoors. These games help encourage creativity and problem-solving skills on the ground.

With a wide range of games available, your host will hand-pick and guide you through some challenges and puzzles designed to put your students through the test and that help encourage their learning and development.

Thank you for facilitating a great trip for us. Your staff were excellent, striking a very happy, appropriate rapport with our guys; the site is tremendous – the emphasis on safety was clearly instinctive and absolutely natural, and all the more impressive for that – and while it provided good opportunities for being supportive and breaking some boundaries, fundamentally we had a lot of fun, which was great when all around they are being beset by exam pressures.

I really recommend it, the days plans were excellent and we left tired, exhilarated and happy.
