TEAM WORK HAS NEVER LOOKED SO GOOD

It's not in the dictionary, but if it was, Go Ape would be described as the forest adventure everyone is talking about.

With 35 locations nestled all over the UK, you're sure to find a Go Ape adventure near you. From tree-to-tree crossings, 3km zip treks, nets 30 feet above the forest floor, axe throwing arenas, all terrain Segway experiences and our very own take on an outdoor escape room — forest escAPE — we have all the adventure boxes ticked for land lovers and tree huggers alike.

We know better than most that fresh air and rustling leaves are key ingredients for our mental health and wellbeing, which is why our goal is to inspire companies to break away from their offices and get back to nature.

So, grab your team and inspire, motivate, and energise colleagues with time away from the office. Nurture those key relationships through our bespoke packages come rain or shine.

DON'T TAKE OUR WORD FOR IT

After the challenges of 2020 we chose to have some light relief from the day-to-day and take the Hyped Marketing team for days out in groups of 6. Our group chose to go to Go Ape at Bracknell. We spent the morning riding Segways, grabbed a light lunch at the cafe and then swung through the trees imagining we were Tarzan during the afternoon. The Go Ape team were professional and kept us safe, whilst we had all the fun. We couldn't have asked for more. Many Thanks. We'll be recommending you to the wider team for their next days out!

From booking through to the day it was a great experience. Natalie made it so easy to book and add additional people onto the booking. When we arrived, considering there was a group of 23 of us, check in was so quick and easy and the induction was smooth running. Everyone in our group had a brilliant day.

Seamless communication and experience from start to finish, especially for a big group and with the current restriction. Thank you to all the amazing team.
