WHY GO APE?

Outdoor learning is the perfect way to help children grow their natural curiosity, improve their physical and mental health, and boost their self-confidence. Everything's more fun outdoors, and children have an easier time focusing on tasks and fostering independence. Plus, an early-life appreciation of nature leads to a greater desire to protect the environment as they grow.

ACTIVITIES

TRASH FREE TRAILS

Doing something good has been proven to give us a mood boost, regardless of how small and spending time in nature and reconnecting with it has also been shown to have a positive effect on mental health and well-being. Slowing that time down during a litter pick also allows greater opportunity to connect with each other. Conversations can happen which there may not be time for in the office environment.

ARCHERY TAG

A fun, fast-paced outdoor activity that combines elements of archery and dodgeball. Players use bows and foam-tipped arrows to tag opponents and eliminate them from the game. Take cover behind inflatable obstacles for protection, muster your tribe and attack your opponent with a flurry of arrows!

ADDED TOUCHES

YOUR BASE FOR THE DAY

We recommend booking our Forest Shelter as the base for the day. To gather upon arrival, after activities and to eat. The shelter is a wooden structure with bench seating which accommodates up to around 30-40 people seated.

This would be a private base for the day exclusively for you. As an event organiser it is always great to have a meeting point, which is why we would always recommend booking for your day.

MERCHANDISE

Our locations stock a wide range of products, which are available to pre-order. Please see below some corporate favourites:

→ Gloves

→ Phone Pouch and Lanyard

→ Medals

→ T-shirts

We had a fantastic day! It was so well organised which made the day run so smoothly – the staff were amazing and we cannot speak highly enough of them. We will definitely keep Go Ape in mind for future trips!

Milking Bank School
– Wyre

Year 2 had an amazing time on Thursday. We wanted to say a massive thank you to you and the whole team from booking to completing the assault course. The staff on the course had such a lovely calm manner with the children and as a result the children became more confident as time passed.
