# ADVENTURE

## NETS ADVENTURE

Set high in the forest canopy Nets Adventure offers pupils fun above the ground in an outdoor space designed to test both balance and stamina. With no safety equipment required, pupils can explore the tree houses via netted walkways, tree top nets with inflatable balls and slides to whizz you back to ground in style.

**AVAILABLE AT 3  
LOCATIONS ACROSS THE UK  
£12 PER SCHOOLCHILD**

## GORILLA GAMES

Identifying a key need for the younger audience, we have recently launched the new fast-paced and challenging Gorilla Games. These games cater to 4 to 14-year olds and help develop key life and team building skills such as communication, leadership and of course, teamwork. Ideal for helping to support the government initiative to get more children outdoors. These games help encourage creativity and problem-solving skills on the ground.

**£8PP FOR 1 HOUR  
£14PP FOR 2 HOURS**

Prices all inclusive of tax.

We had a great session yesterday and all enjoyed. We had two children who were too nervous to take part, but they were supported well by Go Ape staff and taken off the equipment when needed. We would definitely use the site again, but we would also be interested to see what was nearer to us in Oxford. The challenge was just right for the level and age of our children and we were very lucky with the weather.

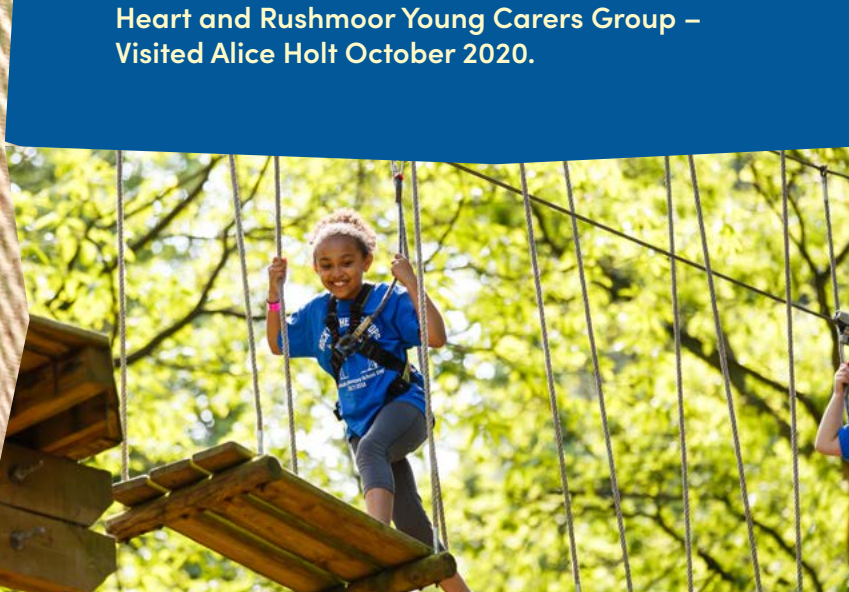

East Oxford Primary School - 2020

The children all had a great time, some of them really had to test their fears and we had a couple of wobbles to start with but it was a great morning. All the staff at Go Ape were fantastic, couldn't have been more helpful and accommodating.

We would definitely recommend and would like to come back again at some point next year.

## WHY GO APE?

Outdoor learning is the perfect way to help children grow their natural curiosity, improve their physical and mental health, and boost their self-confidence. Everything's more fun outdoors, and children have an easier time focusing on tasks and fostering independence. Plus, an early-life appreciation of nature leads to a greater desire to protect the environment as they grow.
