ADVENTURES

TRASH FREE TRAILS

Doing something good has been proven to give us a mood boost, regardless of how small and spending time in nature and reconnecting with it has also been shown to have a positive effect on mental health and well-being. Slowing that time down during a litter pick also allows greater opportunity to connect with each other. Conversations can happen which there may not be time for in the office environment.

One of our aims is to encourage others to look after our leafy worlds too, so gather your Tribe, head out on the trails, pick up the litter you spot, record the findings and give yourselves a pat on the back for leaving a positive trace.

GROUND BASED

ARCHERY TAG

A fun, fast-paced outdoor activity that combines elements of archery and dodgeball. Players use bows and foam-tipped arrows to tag opponents and eliminate them from the game. Take cover behind inflatable obstacles for protection, muster your tribe and attack your opponent with a flurry of arrows!

GROUND BASED

STUMPED

A fiendishly thinky-thinky, problem-solving, logic game where your job is to navigate around, find them all and solve each one to reveal a four-digit code for each game. Each code opens a lock box that will provide you with a clue.

DON'T TAKE OUR WORD FOR IT

“ We all had a great time, the games were actually a bit more challenging than I was expecting but they were great. I particularly liked how each game used a different skillset which allowed different team members an opportunity to shine. The hosts did a great job of keeping everyone on track and ensuring that we all had a good time. The lunch was brilliant and it really was high quality - UK Power Networks ”

UK Power Networks

“ From the get-go the staff were very informative and relaxing, which definitely helped before going high up into the treetops! The course was so much fun, and a lot more challenging than I thought it would be, but there is genuinely something for all abilities. I pushed myself further than I thought I could, especially on the plummet, and you do leave feeling a sense of accomplishment! ”

Kelly, Corecom

“ We all had an amazing time and overcome some of our fears! We would definitely do it again. The staff were very helpful throughout the whole experience. ”

Lidl

“ Have had nothing but good feedback from the team. They honestly didn't stop laughing and cheering and this is something we would love to do again maybe adding some different activities. Staff were lovely. Very welcoming and accommodating for a group of our size. 10/10 for the day thank you. Very good value for money. - HID Global ”
