SWING BY OUR FOREST CLASSROOM

AT 31 LOCATIONS UK WIDE

SUPERVISORS GO FREE!

Dear adventure-seeker,

You're a top banana, and you really deserve a break. So why not make a brew, sit down, and find out how we can help this term go with a swing.

As you know, a new term means new challenges, such helping new groups to bond, convincing timid children to believe in themselves, and persuading the more independent ones to become team players.

That's where we come in.

Watch your students support each other over tricky obstacles, and celebrate in each other's successes. Once they've conquered the course together, you'll be amazed at how much taller your little monkeys walk. As well as being a great confidence booster and enhancing team spirit, our adventures develop key skills, such as problem-solving and communication.

Plus, getting active in the forest has been associated with increased feelings of revitalisation – perfect for recharging the batteries.

We're willing to bet it's not just the kids who could benefit from the restorative effects of the forest, either... As their designated grown-up gorillas, we'll waive the cost of any supervisors' tree-time. We've also reduced our Tree Top Junior prices to £12 per pupil, and our Tree Top Adventure prices to £25 per pupil.

If you'd like to know more about our school trips for children aged 4-18, call the banana phone on 0845 094 9657.

We can't wait to welcome you to the forest.

Love and bananas,

The Go Ape Tribe
